Subject: Bill Drafting Question

Hi Mary,

I heard a rumor that bill drafting can begin sometime after Labor Day. One of the people who was working with us on the Wind Damaged tree bill, 2005 AB 1042, would like us to resubmit the bill for drafting as soon as we can. I believe you were the drafter for it.

Sooooooo. . .
I was just wondering what the process was for that.

Thanks,

2005 ASSEMBLY BILL 1042

February 20, 2006 – Introduced by Representatives M. WILLIAMS, MUSSER, HAHN, AINSWORTH, LEHMAN, KRAWCZYK, ALBERS, VOS, VAN ROY, GUNDERSON and GRONEMUS, cosponsored by Senators KAPANKE, A. LASEE and HARSDOPE. Referred to Committee on Forestry.

Regen

- 1 AN ACT *to renumber* 23.097 (1) (a) and 23.097 (1) (b); and *to create* 23.097 (1r)
2 of the statutes; **relating to:** grants for catastrophic damage caused to urban
3 forests.

Analysis by the Legislative Reference Bureau (DNR)

Current law requires the Department of Natural Resources to administer a program under which counties, cities, villages, towns, and nonprofit organizations receive grants of up to 50 percent of the cost for certain projects relating to tree management such as development of ordinances and tree inventories.

Under this bill, in addition to the grants under existing law, DNR may award grants to any of these entities, plus Indian tribes, for the costs of saving, removing, or replacing trees damaged in a catastrophic storm event in an urban area for which the governor has declared a state of emergency. This type of grant does not require that the recipient contribute to the costs of saving, removing, or replacing the trees.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 4 SECTION 1. 23.097 (1) (a) of the statutes is renumbered 23.097 (1).
5 SECTION 2. 23.097 (1) (b) of the statutes is renumbered 23.097 (1g).

ASSEMBLY BILL 1042

SECTION 3. 23.097 (1r) of the statutes is created to read:

23.097 (1r) In addition to the grants awarded under sub. (1g), the department may award grants to counties, cities, village, towns, nonprofit organizations, and federally recognized Indian tribes or bands that apply for the grants for the costs of removing, saving, and replacing trees that have been damaged by catastrophic storm events in urban areas. To be eligible for a grant under this subsection, the damage must have occurred in an area for which the governor has designated a state of emergency due to a catastrophic storm event. The department shall notify each applicant for a grant under this subsection as to whether the application for the grant will be approved or denied within 60 days after the date the application is submitted to the department. A recipient of a grant awarded under this subsection is exempt from having to pay any percentage of the costs in order to receive the grant.
